A black and white photograph of a person running in a field. The person is in the middle ground, running towards the left. The field is filled with tall grass or weeds. In the background, there is a dense line of trees. The sky is bright and cloudy. The overall mood is one of freedom and movement.

The days slip by so quickly
And where have they gone
It seems like only yesterday
I ran the fields alone
Time will pass and
Tomorrow will come
And life may still go on,
But just in case it doesn't
And tomorrow will not go by,
Live today to the fullest-
Don't let life pass you by.

Awakening

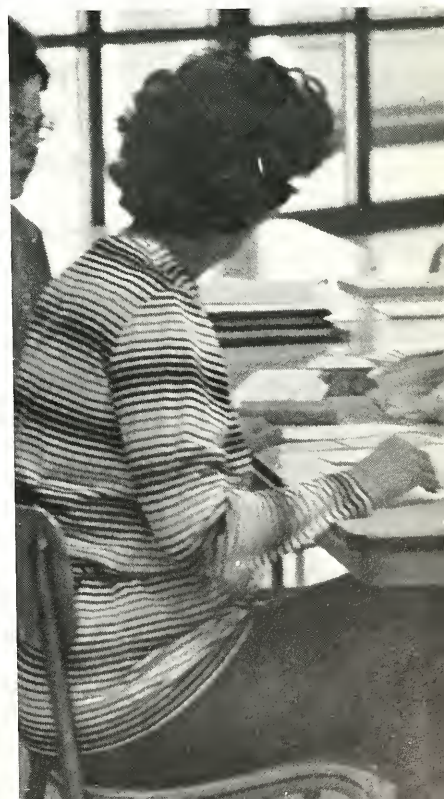

The world is full of mostly invisible things,
And there is no way but putting the mind's eye,
Or its nose, in a book, to find them out,
Things like the square root of Everest
Or how many times Byron goes into Texas,
Or whether the law of the excluded middle
Applies west of the Rockies. For these
And the like reasons, you have to go to school
And study books and listen to what you are told,
And sometimes try to remember. Though I don't know
What you will do with the mean annual rainfall
On Plato's Republic, or the calorie content
Of the Diet of Worms, such things are said to be
Good for you, and you will have to learn them
In order to become one of the grown-ups
Who sees invisible things neither steadily nor whole,
But keeps gravely the grand confusion of the world
Under his hat, which is where it belongs,
And teaches small children to do this in their turn.

UPSET

Spirit ... a big part of athletics ... expressed in many ways by Woodlan students ... a huge spirit chain ... colorful signs ... caravans to football games ... chants and cheers ... hard-working cheerleaders ... faithful pep blocks ... wearing blue and white ... walking to the Coliseum ... always backing our mighty Warriors.

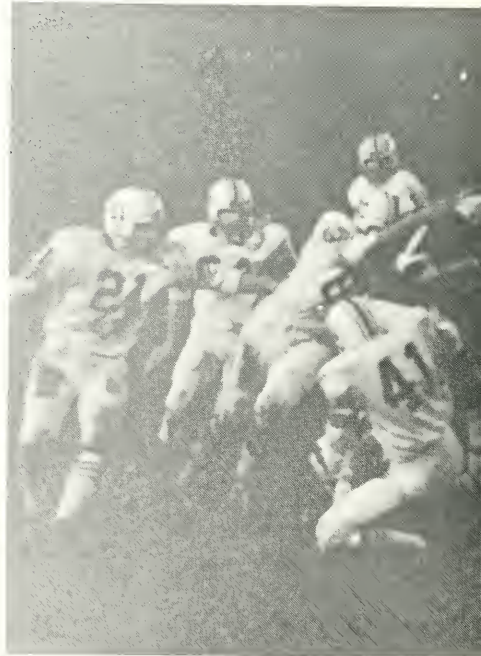

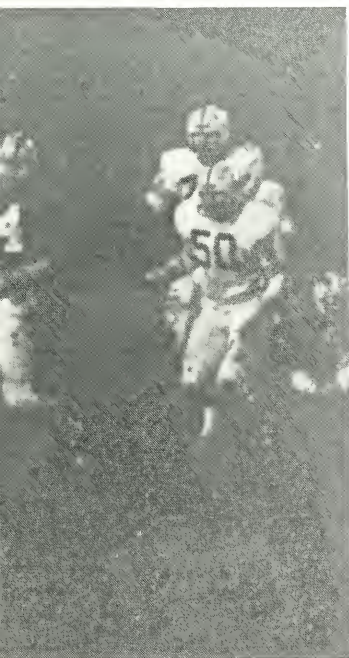

Somebody once asked Knute Rockne, the great football coach of Notre Dame if he thought football was a contact sport. "No," he said, "Dancing is a contact sport. Football is a collision sport."

And he was right.

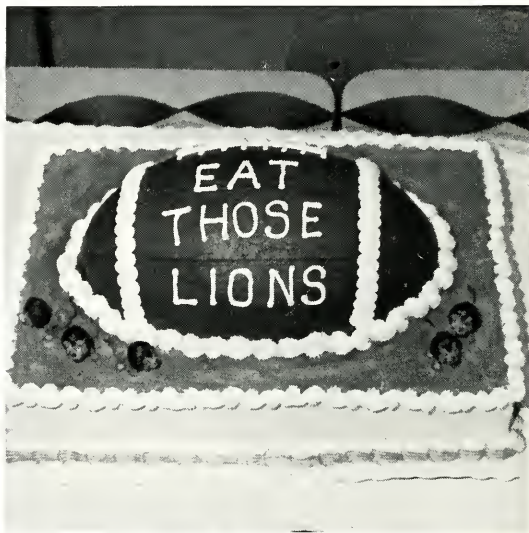

"There are always these guys on the field with black and white shirts on who seem to be the only one who know what they're doing. All they have to do is blow a whistle and everybody stops.

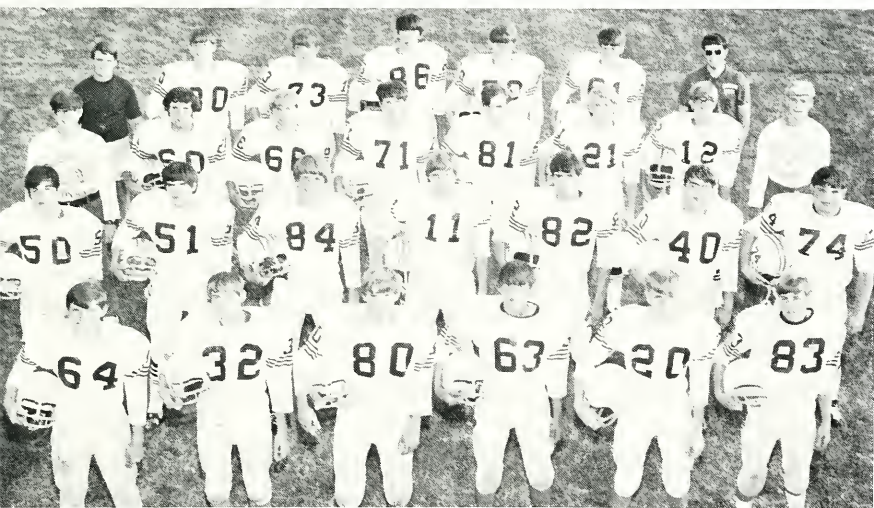

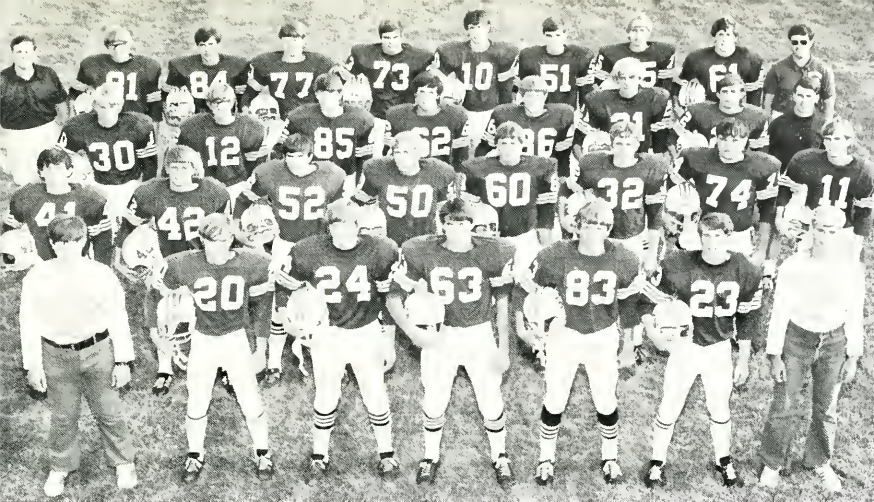

They must be police officers, and as far as I can tell, all their time is spent investigating wrecks."

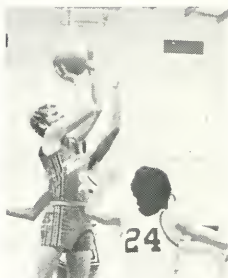

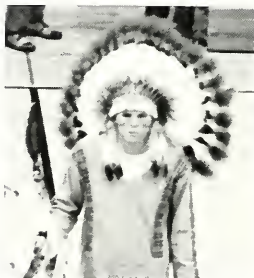

"Football? Isn't that the funny game where a bunch of guys put on different colored suits and run around in a cow pasture to kick a funny shaped ball? They'd like to kill each other just because of that little piece of blowed up leather."

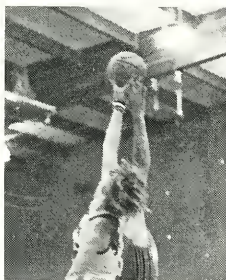

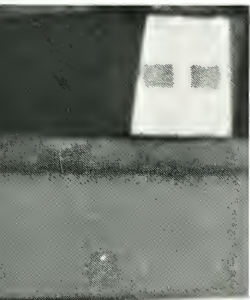

The beginning of the season ... a new team ... a new coach ... the first game ... ACAC victories ... county tournament time ... losses to city schools ... sectional thrills ... a win over Leo ... look back at a good year ... looking forward to the next.

"Happy Leo Stompers"

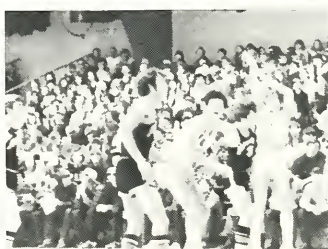

The success of the BB year was the responsibility of our new coach, Max Egley. With a different game strategy and a new group of guys, Coach Egley put everything together for a fine season. Congratulations Coach!

The Varsity team: front, Dale Herndon, Mgr., Coach Egley, Rod Gorrell, Mgr., back, l. to r., Jeff Amstruz, Todd Klopfenstein, Bill Miller, Tom Keller, Keith Mendenhall, Randy Gerbers, Ron Ringenberg, Tim Sipe, Tom Peters, Robin Hartzell, Ray Schone, and Matt Beerbower.

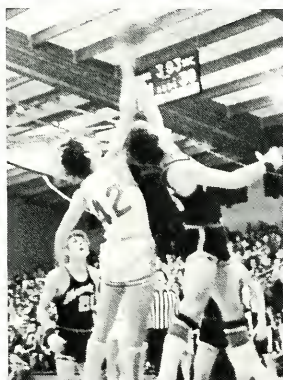

Warrior Reserves Have a Great Year

The Reserve team: FRONT ROW L. to R., Brent Gerbers, Bill Miller, Jeff Yoder, Dennis Yoder, Bruce Bennett, Gary Hammond, and Norm Heoppner. BACK ROW, L. to R., Rex Amstutz, Berry Miller, Jerry Spindler, Tom Albrecht, Clayton Franke, and Coach Lake.

The Reserves, under Coach Lake, rolled their way to a great win-loss record, showing signs of an exceptional Warrior team for next year. In scrimmaging with the varsity, they have sharpened their basketball skills, and their upcoming talent should be valuable to the Warriors in the future.

The Freshman Team

Girls' Gymnastics ... new at Woodlan this year ... floor exercises ... balance beam ... uneven parallel bars ... all become second nature to these girls ... agility ... grace ... and co-ordination combine in Woodlan gymnasts.

Volleyball ... coached by Mrs. Gilbert ... concentrated hours on beating a white ball ... back and forth across the net ... serving ... spiking ... work pays off as team advances to sectional semifinals.

Girls' softball team ... girls take over boys' sport in revised form ... long practices ... batting ... catching ... pitching ... and lots of enthusiasm ... make up Woodlan's softball girls.

Volleyball ... coached by Mr. Myers ... trying to outdo the girls ... taking out their frustrations on the little white ball ... dedication ... enthusiasm ... make up boys' volleyball.

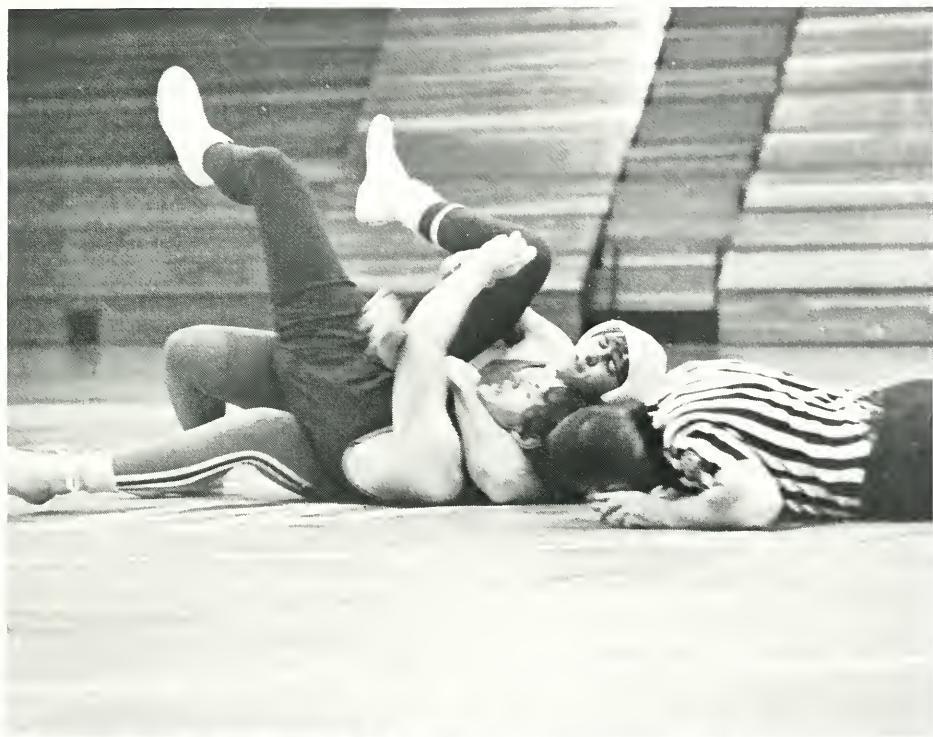

Man, my legs hurt.
What am I doing here
anyway?
Run and run and run ...
Geez, I'm getting sick.
Why don't I just stop?
Nobody will know.
It won't hurt just this
once.
No, I'm a cross country
runner ... I can't stop.

Wrestling ... more than just a sound body ... the sport requires complete dedication ... "Practice makes perfect" makes for future wins ... building on experience of the past ... guts ... determination ... pride ... three necessary assets for a wrestler.

Track Team ACAC Champs

Despite a few injuries, the Warriors managed to capture the ACAC championship this year. Individual champions were Todd Klopfenstein-long jump, Joel Smith-shot put, and Mark Scheumann is discus. The season also marked Mr. DeLong's first year as head coach.

It looked extremely rocky for the Woodlan team that day,
At the very first practice, the coach was not so gay;
The team was very young with not too many a veteran,
And there weren't a lot of schools around that the
Woodlan nine was better than.

The calisthenics went real fine, but then the sprints
got rough,
It soon became apparent that the players weren't so tough;
So after the lap around the field when all could barely
stand,
The coach just bowed his head and sighed, a losing season
was at hand.

The pitchers couldn't throw the ball, the batters couldn't
hit it,
The infield couldn't stop the thing, the outfield always
missed it;
And when the dust had lifted and three games had since
occurred,
The Warriors hadn't won a one - in fact, they'd lost their
third.

Heritage beat the Warriors and Leo followed likewise,
This much depressed the Woodlan team who was out to beat
these guys;
So on that stricken baseball team a death-like silence
fell,
The players had almost given up hope, the fans had ceased
to yell.

Then from the gladdened multitude went up a joyous cry,
It rattled in the bleachers, it rumbled in the sky;
It struck upon the schoolhouse and bounded in the flat,
For Woodlan, mighty Woodlan, had won a game at that!

The season now was over, and baseball was all done,
The Warriors played all twenty-one games, and only four
they won;
The team will be back again next year with a more experienced
squad,
And they'll have a winning season, cause the odds won't
be so odd.

This past year has been the most successful in the history of the Woodlan FFA. It earned the highest degree of honor that any chapter can attain, the National Gold Emblem Award, given to only one per cent of the FFA chapters in America. The soils judging team of John Messman, Dennis Ehle, Brian Eager and Roger Busche tied for first place in the nation at the national contest in Oklahoma. They were coached by Mr. Hefty. The Woodlan chapter also swept honors at the district convention, winning the all-points trophy for the second year in a row. The FFA has for the first time accepted girls into its membership. Joanne Gerbers, Melody Bridge, Trudy Kanpp, and Sybil Anderson have become the only four Woodlan FFA members to wear skirts...and the guys don't mind a bit!

YESTERDAY'S MISTAKES,
TODAY'S UNDERSTANDING,
TOMORROW'S HOPE

Valedictorian-Amy Collins

Salutatorian-John Messmann

Rev. J. R. Lehman

Rev. Armin C. Oldsen

Go gently through the years,
But go in strength.
Don't be ashamed of tears,
Of anger or of fears,
For they're a part of you
and you're alive.

Go firmly through the night,
But go in peace.
Know for yourself what's right,
Keep all your goals in sight,
For they're a part of you
and you're alive.

Walk bravely through each day,
And go in pride.
Show that you know the way
In things you do and say,
For they're a part of you
and you're alive.

Climb mountains while you may
And sing your songs.
Start living everyday,
It won't be long before you
Turn around and wonder
Where life's gone.

well, Lord, I finally made it... Just think
no more books... homework... classes...
teachers... principals... but that also means
no more football... basketball... proms...
and good times with friends... this
really is the end, isn't it?... seems like only
yesterday I was one of those frightened
freshmen... running around the halls...
but, where did all that time go?... what
happened to it?... Lord, I'm not ready to
go on... please let me start over again...
all the time I've wasted... I've got to do
something useful with it... spend time
learning to know others... not thinking so
much about myself... really learn to work
... not think "next nine weeks"... so many
things I was going to do... did wrong...
no time... Oh, Lord, you've got to let me
go back... please... but that's impossible isn't
it?... I have to live with the mistakes of
yesterday... now I'm beginning to under-
stand the problems and joys of life...
beginning to see why every minute is so
important... shouldn't be wasted... help
me now to go through the rest of my life
... making new friends... thinking more
of others... utilizing my time... with the
hope that tomorrow I will not make the
same mistakes I did yesterday... but
today is mine... and all the tomorrows
before me... with your leading each hour
... may each today be returned to you. 90

Special Education

Slow me down, Lord-
Ease the pounding of
my heart by the quieting
of my mind.

Steady my hurried pace
with a vision of
the eternal reach
of time.

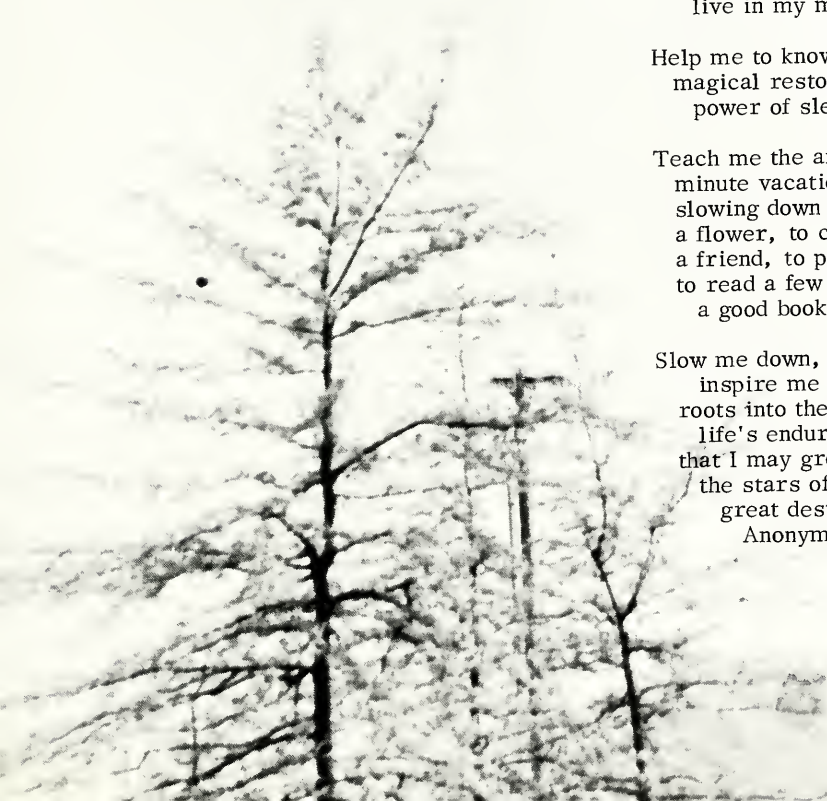

Give me, amidst the
confusion of my day,
the calmness of the
everlasting hills.

Break the tension of my
nerves and muscles with
the soothing music of the
singing streams that
live in my memory.

Help me to know the
magical restoring
power of sleep.

Teach me the art of taking
minute vacations, of
slowing down to look at
a flower, to chat with
a friend, to pat a child,
to read a few lines from
a good book.

Slow me down, Lord, and
inspire me to send my
roots into the soil of
life's enduring values,
that I may grow toward
the stars of my
great destiny.
